

A742WHR

IMPACT 110 COW LEATHER GLOVE

DESCRIPTION

Experience unmatched durability and impact resistance with our impact driver glove. The keystone thumb design ensures optimal flexibility and comfort, allowing for precise control and grip. These gloves are specifically engineered for medium-energy impact protection, making them ideal for demanding tasks. Crafted from high-quality leather, they offer exceptional durability and reliable performance. Additionally, these gloves provide protection against contact heat up to 100°C, ensuring safety in high-temperature environments.

FEATURES

- Highly durable and impact resistant
- For medium-energy impact protection
- Classic leather driver
- Keystone thumb
- Protection against contact heat up to 100°C
- Elasticated cuffs for a secure fit
- New style
- CE certified
- UKCA marked
- Retail tag which aids presentation for retail sales
