

GRIP 15 LATEX FOAM TOUCH SCREEN GLOVE

DESCRIPTION

Designed for demanding work environments, this double coated latex full glove combines protection, comfort, and performance. Featuring a durable nylon liner, the glove offers excellent flexibility and breathability for extended wear. The latex foam palm coating delivers superior grip, especially in wet or slippery conditions, ensuring safer handling and improved control.

The glove is contact heat resistant up to 100°C, making it suitable for light heat exposure tasks. Its touchscreen-compatible fingertips allow users to operate smartphones and touch devices without removing the gloves, boosting productivity and convenience on the job.
