

WOMEN'S THERMAL TROUSERS

DESCRIPTION

This women's base layer legging creates a layer of warmth around the lower body, ideal for wearing in cold work environments. The soft polycotton fibres and fabric knitting mean that heat is trapped in. Features include cuffed hem and elasticated waist.

COMPOSITION

 50% Polyester, 50% Cotton, 200g
 Black XS-XXL

FEATURES

- Women's specialised fit
- Provides insulation and thermal protection
- Ribbed hem for a comfortable fit
- Designed with a comfort fit
