

DX4 TOOL VEST

DESCRIPTION

This multi-pocket work vest offers the wearer an extremely versatile and in-depth pocketing system. The vest straps are ergonomically designed so that they do not come apart. Instead they are attached to the garment and then used to tighten the vest to the wearer. A multitude of features make this vest ideal for the workplace, including a magnet for easily accessible screws, large holster pockets, tool loops, pen pockets and multiple compartments so there is a place for every item needed.
