

STEEL LEATHER WINTER HIGH BOOT S3L SC HRO CI SR

DESCRIPTION

This innovative high leg boot is an ideal choice for the harshest winters and cold environments. Features includes a warm faux fur lining rated down to -30°C cold and a wire lace system which can be tightened or loosened with a single gloved hand. The leg padding, robust TPU heel counter and scuffcap give extra protection and stability. A deep cleated, nitrile rubber outsole provides outstanding grip.
