

PACKABLE HELMET INSECT NET

DESCRIPTION

This fine mesh insect net is compatible with most helmets and will help to keep flies and mosquitos away from your face. With a silicone grip at the top, to prevent the net falling off or flying away during your working day and the toggle adjuster at the hem can be adjusted to keep the flies from entering underneath. The net packs away into handy bag provided with loop for easy attachment to your clothes, so you always know where it is.
