

MOULDED FFP2 VALVED RESPIRATOR (PK10)

DESCRIPTION

Experience ultimate comfort and protection with our metal-free FFP2 moulded valved respirator. With low breathing resistance, and soft nose foam, it's ergonomically designed to fit most face shapes. The drop-down head strap design allows easy removal, while the high-performing exhalation valve efficiently reduces heat and moisture inside the mask. Dolomite clogging tested for maximised breathing comfort, it's the perfect choice for your respiratory needs.

COMPOSITION

 **Polyester, Meltblown Polypropylene, PP, Elastic**

 **White One Size-One Size**

FEATURES
