

FFP3 ULTIMATE REUSABLE COMPACT RESPIRATOR (PK5)

DESCRIPTION

Experience ultimate comfort and protection with our FFP3 valved respirator. With low breathing resistance, an innovative moulded nose bridge, and an all-round foam gasket, it's ergonomically designed to fit most face shapes. The wide adjustable elastic head straps provide a secure and comfortable fit, while the high-performing exhalation valve efficiently reduces heat and moisture inside the mask. R D certified reusable for more than one working shift, and with a Dolomite clogging test for maximised breathing comfort, it's the perfect choice for your respiratory needs. The compact design is particularly well suited to smaller face shapes.

COMPOSITION

 PP, EVA Foam

  White One Size-One Size

FEATURES
