

TPR HALF MASK KIT (WITH P3 FILTERS)

DESCRIPTION

Experience superior protection and comfort with our premium half mask, crafted from durable and flexible thermoplastic rubber. With dual bayonet filter connections, this mask offers optimal weight balance and an expansive field of vision. Its ergonomically designed head harness ensures maximum comfort and reduced pressure, while ABS filter holders and frontal exhalation valve provide superior protection. Available in two sizes for a perfect fit, this mask is quick and easy to disassemble for cleaning. Supplied ready to use, pre-fitted with P3 filters. Packed in a resealable retail bag for hygiene.
