

TPE GOGGLE

DESCRIPTION

A TPE goggle is a protective eyewear made from thermoplastic elastomer, offering a soft, flexible fit for comfort during extended use. It forms a secure seal around the eyes, protecting against dust, splashes, and other hazards. These goggles are lightweight, durable, and often come with anti-fog lenses for clear vision in various work environments.

COMPOSITION

 Polycarbonate, TPE, Polyester, Elastane

 , 106g

 Clear One Size

FEATURES

- Goggles with indirect ventilation to avoid misting up
