

SAFETY READERS

DESCRIPTION

Safety readers with three common dioptré strengths (+1.5, +2.0, and +2.5) to meet your specific vision needs. Stylish design that features dual-colour side arms that colour match to Portwest garments. To ensure maximum comfort, our safety readers are designed with a soft nose piece that won't cause discomfort or irritation. The anti-slip temple tips keep the eyewear securely in place, even during strenuous activities. Additionally, an anti-fog lens coating prevents fogging, ensuring clear vision at all times. The perfect combination of style, comfort, and functionality.

COMPOSITION

 **Polycarbonate, TPR**
 **, 27g**
