

EXPERTLINE SAFETY HELMET (SLIP RATCHET)

DESCRIPTION

Our lightweight industrial safety helmet is designed for optimal comfort and protection. With ventilation holes in the helmet shell, it allows for excellent air circulation, keeping the wearer's head cool. The 6-point plastic harness with slip ratchet ensures a secure and adjustable fit, while the extended rear shell design provides enhanced nape protection. The helmet also features universal side slots, a rain gutter, and a regular peak design. With a sweatband included for added comfort, this helmet is a reliable choice for a safe and comfortable work environment.
